Accessories

We offer a full range of accessories including skirting, edging strips, door bars, scotia and cleaning & maintenance products.

T-Section

Also known as a T-bar or Twin profile, this covers the gap between two floors of equal height such as in doorways, over expansion gaps or as a room divider.

Ramp Section

Sometimes referred to as an Adaptor or Reducer, this provides a neat transition between two floors of varying height.

Scotia

Ideal for hiding the expansion gaps around the edge of a room, for example if the skirting board hasn't been removed and replaced when the floor was fitted.

Bona wood floor cleaning kit

Designed for regular maintenance of all Basix lacquered and UV oiled floors.
