## Accessories

We offer a full range of accessories including skirting, edging strips, door bars, scotia and cleaning & maintenance products.

### T-Section

Also known as a T-bar or Twin profile, this covers the gap between two floors of equal height such as in doorways, over expansion gaps or as a room divider.

### Ramp Section

Sometimes referred to as an Adaptor or Reducer, this provides a neat transition between two floors of varying height.

### Scotia

Ideal for hiding the expansion gaps around the edge of a room, for example if the skirting board hasn't been removed and replaced when the floor was fitted.

### Bona wood floor cleaning kit

Designed for regular maintenance of all Basix lacquered and UV oiled floors.
